

ALTON TRAMPOLINE CLUB

June 2011

Dear Members and Parents

We have recently updated the Squad's competition leotards and these are now available to buy.

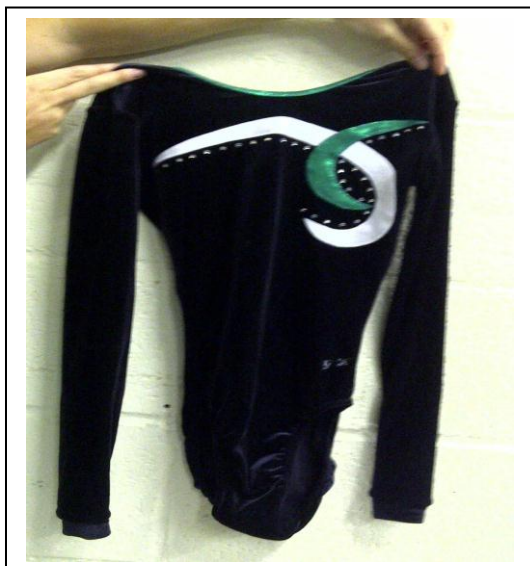

We understand leotards are expensive, especially when children are still growing or you are buying more than one. For this reason it is not mandatory that you purchase one. Ideally it would be great to see the whole squad wearing them at regional and national level by the start of the next national competitive season, Jan 2012.

Please choose the correct size using the size chart below. The leotards are individually hand made by Gill Hannah who is able to make an extra-long body if required.

Our first order deadline will be Sunday 26th June 2011 and delivery will be approximately 4 weeks from the order deadline.
